1. Introduction

The Trust Board regards the school buildings and grounds as a community asset and will make every reasonable effort to enable them to be used as much as possible by the local community.

The Trust Board welcomes the opportunity to work with partner organisations in extending the range of opportunities to help pupils achieve their full potential by engaging with local groups and services meeting the wider needs of our pupils, families and the local community. However, the overriding aim of the Trust is to support the schools in providing the best possible education for its children and any lettings of the premises to outside organisations will be considered with this in mind.

The school's delegated budget (which is provided for the education of its pupils) will not be used to subsidise any lettings by community or commercial organisations. A charge will be levied to meet the additional costs incurred by the school in respect of any lettings of the premises. As a minimum, the actual cost to the school of any use of the premises by any outside organisation must be reimbursed to the school's budget.

The Trust reserves the right to:

- i. refuse applications without giving a reason
- ii. have a representative present at any function
- iii. terminate any activity not properly conducted

2. Definition of A Letting

A letting may be defined as "any use of the school premises (buildings and grounds) by either a community group (such as a local music group or football team), or a commercial organisation (such as the local branch of 'Weight Watchers')". Lettings can be single use i.e., on one occasion or regular use i.e., the same day and time each week.

A letting must not interfere with the primary activity of the school, which is to provide a high standard teaching and learning environments for all its pupils

The following activities fall within the corporate life of the academy. These activities are not considered to be lettings and costs arising from these uses are therefore a legitimate charge against the academy's delegated budget:

- i. Trust Board and Board sub-committee meetings
- ii. Extra-curricular activities for pupils organised by the academy or Trust
- iii. Academy performances or events
- iv. Parents' evenings and meetings

- v. PTA meetings and events

Care should be taken to ensure that any lettings are consistent with Trust values. The following activities are not considered to be appropriate for lettings:

- i. Commercial activities with little potential to generate income or support for the academy
- ii. Activities or events of a political nature
- iii. Activities or events which might bring the academy or Trust into disrepute.

3. Roles, Responsibilities and Administration of Lettings

The Trust Board is responsible for:

- i. Approving this Policy and ensuring that it is reviewed regularly
- ii. Approving the hire charges for the letting of academy premises and reviewing them regularly
- iii. Setting the Terms and Conditions of Hire for lettings
- iv. Ensuring that the Trust has appropriate insurance arrangements in place

The Chief Executive Officer (CEO) is responsible for:

- v. Ensuring Heads are aware of their responsibilities relating to this Policy
- vi. Ensuring the Chief Finance Officer acts as deputy to the CEO in their role and responsibilities in respect of lettings.

The Head of Enterprise is responsible for:

- vii. the management of lettings, in accordance with the Trust Board or Finance Committee's policy. The Head may delegate all or part of this responsibility to other members of staff (e.g., person with responsibility for school lettings/finance), whilst still retaining overall responsibility for the lettings process.
- viii. Ensuring that if anyone has any concern about whether a particular request for a letting is appropriate or not, s/he will consult with the CEO, CFO and/or Chair of the Trust, before determining whether such request can be accepted or not- and all staff reporting to the Head of Enterprise should be aware of escalation routes should such matters arise
- ix. Ensuring that the lettings procedures are followed
- x. Adhering to the procedures and Terms and Conditions of Hire

- xi. Managing the day-to-day lettings of the premises and ensure effective communication between all parties concerned
- xii. Maintaining accurate records of all bookings on the Booking Plus system
- xiii. Confirming bookings using the Venue Hire Agreement at **Appendix 1**
- xiv. Checking and filing insurance and safeguarding documentation provided by hirers
- xv. Arranging staff for lettings
- xvi. Ensuring facilities are as required by hirers
- xvii. Ensuring appropriate training for hirers or appropriate member of staff is present when any specialised equipment or accommodation is hired
- xviii. Monitoring all hirers to ensure all aspects of the contract are being adhered to and that facilities are left ready for academy use
- xix. Ensure finance raise all invoices and chase any outstanding payments on a regular basis
- xx. Deal with any and all other matters relating to lettings as the primary officer dealing with day-to-day matters pertaining to lettings.

4. Charges and Bookings

The Trust Board or Finance Committee is responsible for setting charges for the letting of the school premises. All charges will be reviewed and set annually in consultation with the CFO. These charges must then be approved by the Trust board.

A charge may be levied to cover the following:

- a. Cost of services (heating and lighting)
- b. Cost of staffing (additional security, caretaking and cleaning) - including “on-costs”
- c. Cost of administration
- d. Cost of “wear and tear”
- e. Cost of use of school equipment (if applicable)
- f. Profit element (if appropriate).

The charges review will take place during the summer term, for implementation from the beginning of the next financial year, with effect from 1st September of that year. Current charges will be provided to hirers in advance of any letting being agreed (see **Charges Schedule – Appendix 2**).

All bookings will be made directly through the Enterprise Team and supported by a copy of the Terms and Conditions signed by the hirer.

In considering request for lettings consider the following:

- a. whilst the academy will try to accommodate all requests, the academy and current hirers will be given priority
- b. other considerations include the type of event, site supervision availability, the number of other lets coinciding and the suitability of accommodation.

If there are any form of lettings through which a mechanism to share surplus generated can be utilised, such an arrangement should be fully documented and signed by representatives of the Trust and relevant third party. Such an arrangement should not leave the Trust financially worse off.

VAT

In general, the letting of rooms for non-sporting activities is exempt of VAT, whereas sports lettings are subject to VAT (although there are exemptions to this under certain circumstances).

Sport facility letting charges are normally subject to VAT, but where certain criteria are satisfied, the hire charges can be treated as exempt. VAT regulations state that for a series of ten or more lettings to be exempt from VAT, the following conditions should be satisfied:

- a. Each period is in respect of the same activity carried on at the same place
- b. The interval between each period is not less than one day and not more than fourteen days
- c. The charge is payable by reference to the whole series and is evidenced by written agreement
- d. The facilities are letting to a school, club, association, or an organisation representing affiliated clubs or constituent association.

On the letting of sports facilities for sports, the VAT exemption does not apply to commercial organisations.

5. The Administrative Process

Organisations seeking to hire the school premises should approach the Enterprise Team (or designated staff supporting the Enterprise Team based in schools) who will identify their requirements and clarify the facilities available.

Once a letting has been approved, confirmation will be sent to the hirer, setting out full details of the letting and enclosing a copy of the terms and conditions and the **Venue Hire Agreement (Appendix 1)**. The letting should not take place until the signed agreement has been returned to the academy.

The person applying to hire the premises will be invoiced for the cost of the letting as appropriate in accordance with the Trust Board or Finance Committee's current schedule of charges (**Appendix 2**). Payment must be made directly into the Trust's bank account.

The Enterprise Team should seek payment in advance to reduce any possible bad debts. A one-off booking must be paid in advance and all other bookings are either paid monthly or termly in advance. There may be exceptions to this, where bookings are paid in arrears, where the booking has frequent changes and cancellations (such as football).

The hirer should be a named individual and the agreement should be in their name, giving their permanent private address. This avoids any slight risk that the letting might be held to be a business tenancy, which would give the hirer security of tenure.

All lettings fees which are received will be paid into the Trust's bank account and allocated to the respective lettings cost centre, in order to offset the costs of services, staffing etc. Income and expenditure associated with lettings will be regularly monitored to ensure that at least a 'break even' situation is being achieved and reported to the Trust Board and/or the Finance Committee. Where a surplus is generated, the Trust will look to pass that onto the school in the following financial year, unless wider financial challenges make this difficult.

Payments received should be promptly reflected in the financial system and also acknowledged on the Booking Plus system. Finance Partners should update Booking Plus on a weekly basis.

If and when cash is received in payment for lettings, monies should be handed to the relevant Academy Finance Partner at the earliest opportunity along with any record of funds received. Cash should be counted on the date of collection and recounted by the Finance Partner. The Finance Partner should look to have cash collected by the relevant cash handling company and transferred to the banking cash handling depot. All cash should be fully reconciled and recognised through the Trust finance system.

All income and expenditure from lettings activities should be fully recognised and accounted for within the finance system.

Where possible, there should be clear segregation of duties to ensure one individual is not managing multiple aspects of these transactions, to minimise the risk of fraudulent activity (e.g. procurement and sales of food and drink through a food outlet for lettings-related activities).

When a large-scale tournament is hosted at a Trust school, the hirer may charge attendees for car parking and entry fees. The Trust does not enter into profit sharing arrangements. The Trust will retain any profit made from sales at food outlets on the school site, which are managed by the Trust. Arrangements for large-scale tournaments must be agreed in advance with the Enterprise Team.

Where Trust employees work additional or casual hours due to a letting booking, the overtime/casual hours should be agreed in line with the Trust support staff pay policy. Timesheets must be completed and submitted through Beehive for approval by the Enterprise team. Timesheet approval

cannot be given for overtime/ casual hour claims for family members, in these cases the hours should be approved by the Head of Enterprise. Mileage and expenses claim forms from the Enterprise Team can be authorised by the Head of Enterprise or the CFO.

6. Public Liability and Accidental Damage Insurance

All Hirers, whether groups or individuals, are responsible for arranging their own public liability insurance and to ensure the insurance covers all their legal liabilities for accidents resulting in injuries to persons (including all participants in the activity for which premises are being hired). This cover must also extend to include loss or damage to the premises of the academy site arising out of the letting. The minimum limit for this insurance cover is **£5 million**. Evidence of the appropriate cover will be required by the relevant academy in advance of any hire and will be subject to annual review.

The Head of Enterprise, or designated member of academy staff, has delegated authority to determine the security risk for each letting and will be responsible for allocating a continuous security presence or other appropriate control measure.

7. Safeguarding and the Prevent Duty

Any organisation submitting a lettings request involving working with children and/or young people must submit to the school a signed copy of their current Child Protection Policy (or equivalent policy).

All hirers must state the purpose of the hire. Each application will be vetted by the Enterprise Team and any concerns will be reported to either the Executive Team or to the relevant Head prior to approval.

When determining whether to approve an application, the Head of Enterprise or person with designated responsibility will consider the following factors:

- a. The type of activity
- b. Possible interference with school activities
- c. The availability of facilities
- d. The availability of staff
- e. Health and safety considerations
- f. The school's duties regarding the prevention of terrorism and radicalisation
- g. Whether the letting is deemed compatible with the ethos of the school

An application will not be approved if it:

- Is aimed at promoting extremist views.
- Involves the dissemination of inappropriate materials.
- Contravenes the statutory Prevent duty.
- Is likely to cause offence to public taste and decency (except where this is, in the opinion of the Head, balanced or outweighed by freedom of expression or artistic merit).

The Lettings Administrator will file an incident report form if they have reason to believe that the letting has been used for political purposes not previously authorised, the dissemination of inappropriate material or any other purpose that contravenes the Prevent duty.

Where an individual or group is found to be promoting views in contravention of the school's Prevent duty, the person or group is guilty of an offence, under the Education Act 1996, and liable on summary conviction to a fine. In addition, the school will contact the police who will remove the person or group from Trust premises.

8. Cancellations

By the Hirer: Cancellations should be made in writing at least 48 hours before the proposed letting, otherwise the Hirer will still be liable for the standard charges (except in the case of weddings, where cancellation notice periods will be longer- and will be shared with the relevant parties through written agreements). In the event of a cancellation being made at the appropriate time, the school will credit the Hirer for a free booking the following term, if applicable, or refund the fee if no further bookings are required. Written cancellations should be signed by a Trust representative, or an equivalent form of acknowledgement and receipt.

By the Academy: If the Academy finds it necessary to cancel a booking, as much notice as possible will be given, generally not less than 24 hours and, where possible, alternative accommodation will be offered. If this is not possible, a refund will be made. The Trust and the Academy will accept no liability in respect of commitments incurred by the Hirer due to such cancellations.

9. Review

This policy will usually be reviewed every two years during the Summer Term and at any other time as may be deemed necessary.

10. Terms and Conditions of Hire for Lettings

All terms and conditions must be adhered to. The 'hirer' shall be the person making the application for a letting, and this person will be personally responsible for payment of all fees or other sums due in respect of the letting and ensuring the terms and conditions are adhered to.

11. Interpretation

Hirer: person making the application for a letting who will be responsible for payment of all fees of other sums due in respect of the letting.

Trust: the Lionheart Educational Trust.

Academy or School: the respective Trust academy/ school with facilities for hire.

12. Status of the Hirer

Lettings will not be made to persons under the age of 18, or to any organisation or group with an unlawful or extremist background. The hire agreement is personal to the hirer only, and nothing in it is intended to have the effect of giving exclusive possession of any part of the school to them or of creating any tenancy between the Academy and the Hirer.

13. Safeguarding and Child Protection

If a particular letting involves contact with the Academy's pupils or other young people then any organisation or individual submitting a lettings request involving working with children and/or young people must provide to the academy evidence that appropriate policies and procedures are in place with regard to safeguarding children and child protection i.e. Safeguarding Policy, and provide evidence to the academy of disclosure and barring scheme check (hereafter referred to as DBS) relating to all staff and others working closely with children. Evidence required:

- a. a 'letter of assurance' from the organisation providing the names and DBS numbers of the supervising adults/staff
- b. DBS certificate for supervising adult and additional photographic identification

The Trust Board or Finance Committee will ensure that there are arrangements in place to liaise with the Head on these matters.

The Trust Board or Finance Committee may require DBS checks relating to staff and other adults using school premises at a time when school pupils or other young people may be on site.

The Trust Board or Finance Committee may require evidence of appropriate qualifications for hirers:

- a. using facilities or equipment for specific activities.
- b. Where the activity is for example an after-school sports club, sports coaches must also follow the Government Guidelines for Working in Schools.

14. Priority of Use

The Head, or person with designated responsibility, will resolve conflicting requests for the use of the premises, with priority always being given to school functions.

15. Attendance

The Hirer shall be responsible for ensuring that the number of persons using the premises does not exceed that for which the application was made, and approval given.

16. Behaviour

The Hirer shall be responsible for ensuring the preservation of good order and the prevention of disorderly behaviour for the full duration of the letting and until the premises are vacated.

The Hirer is responsible for ensuring these terms and conditions of use are observed and adhered with and for the effective supervision of the arrangements and activities on the Academy premises during the hire period.

17. Health and Public Safety

The Hirer must comply with all the laws relating to the premises and the occupation and use of the premises by the Hirer, including but not limited to Health and Safety legislation.

The Hirer should, as far as practicable, have an accurate list of those present.

The Hirer is responsible for familiarising themselves with emergency exits and must ensure that participants are aware of emergency evacuation procedures and assembly points.

It is good practice to carry out emergency evacuation drills at suitable intervals.

The Hirer must always, whilst participants are on site, have immediate access to participants' emergency contact details, and always have access to a mobile phone.

The Hirer shall be responsible for the prevention of overcrowding (such as would endanger public safety), and for keeping clear all gangways, passages and exits.

The Hirer shall be responsible for providing adequate supervision to maintain order and good conduct, and - where applicable - the Hirer must always adhere to the correct adult/child ratios.

The Hirer shall be informed of the maximum number of attendees for each venue at the time of hire application.

In the event of an emergency:

The Hirer will call the relevant emergency service (if school staff are not present and supporting the activity).

All occupants must leave the school by the nearest exit and assemble at the designated muster area as advised by the Hirer.

The Hirer and users must not re-enter the premises until the 'all clear' has been given. The relevant emergency service or member of Academy staff will give this instruction.

The Hirer will immediately inform the Academy of any emergency, accident or serious incident that occurs during the hire period by telephoning the Academy Emergency contact (or Enterprise Team contact, if a contact at the Academy is not available).

18. Own Risk

It is the Hirer's responsibility to ensure that all those attending are made aware of the fact that they do so in all respects at their own risk.

19. Damage, Loss or Injury

The Hirer warrants to the Trust that it has appropriate public liability insurance to cover all its legal liabilities for accidents resulting in injuries to persons (including all participants in the activity for which the premises are being hired), and/or loss of or damage to property, including the hired premises, arising out of the letting. The minimum limit for this insurance cover is £5 million. The Hirer must produce the appropriate schedule of insurance cover before the letting can be confirmed.

The Trust will be responsible for any injury to persons or damage to property arising out of the activities undertaken and supervision thereof during the letting of the premises.

The Academy will inform the hirer of any areas within the scope of the letting arrangements where asbestos has been identified, if there is a foreseeable risk of potential damage arising from the specific hire use of the building.

Any damage, destruction or theft that occurs during the hire period in or to the premises, to the building, equipment or Academy property will be the responsibility of the Hirer and the Hirer shall pay to the Academy the cost of making good any such damage or loss.

Any damages or breakages must be reported to Academy staff at the first opportunity.

20. Furniture, Fixtures and Fittings

Furniture, fixtures and fittings shall not be removed or interfered with in any way. No fittings or decorating of any kind necessitating drilling, or the fixing of nails or screws into fixtures which are part of the school fabric, are permitted. In the event of any damage to premises or property arising from the letting, the Hirer shall pay the cost of any reparation or replacement required.

The Hirer will ensure all facilities used are kept in a clean and tidy condition when in occupation.

The facilities must be left in the same condition as before the hire period. No food, rubbish or other belongings of the Hirer should be left on the premises. Waste refuse sacks should be used and can be deposited in the Academy's refuse bins/area. If additional cleaning is necessary, the Hirer will be charged accordingly.

21. Use of Premises, Facilities and Equipment

1. School Equipment

This can only be used if requested on the Initial Request form, and if its use is approved by the Head of Enterprise or other person with delegated responsibility. Responsible and appropriately qualified adults must supervise the use of any equipment that is issued and ensure its safe return. The Hirer is liable for any damage, loss or theft of school equipment they are using, and for the equipment's safe and appropriate use. Use of the Academy's offices and resources will not be available during the hire

period, and it is the Hirer's responsibility to ensure a mobile phone is available to cover the event of an emergency.

2. Hirer's Equipment

The hirer should state on the hire agreement any equipment he/she intends to bring into Academy. They are responsible for ensuring the suitability of the equipment and for ensuring that it is in good order.

Any electrical equipment brought by the Hirer onto the school site **MUST** comply with the Trust Code of Practice for Portable Electrical Appliance Equipment. Equipment must either have a certificate (Portable Appliance Test) of safety from a qualified electrical engineer or be inspected by, or on behalf of, the Trust. The intention to use any electrical equipment must also be notified on the application. Any of the hirer's own equipment should be brought into/ removed from school within the time booked.

3. Car Parking Facilities

Subject to availability, the Hirer and other adults/visitors involved/attending the letting may use the Academy car parking facilities. Neither the Academy or the Trust will accept any responsibility in terms of damage, theft or loss of any car left in the car park during the hire period.

3. Toilet Facilities

Access to the Academy's toilet facilities is included as part of the hire arrangements.

4. First Aid Facilities

There is no legal requirement for the school to provide first aid facilities for the Hirer and school first aid resources are not available for lettings. Therefore, it is the Hirer's responsibility to make their own arrangements, including the provision of first aid training for supervising personnel and the provision of a first aid kit.

The hirer is always expected to have access to a mobile phone throughout the letting to cover any emergency event.

5. Food and Drink

No food or drink may be prepared on the premises without the direct approval of the Enterprise Team. Where approval is given the Hirer must ensure that all food hygiene regulations are applied and adhered to. All litter must be placed in the bins provided – with due regard being given to Academy recycling facilities.

If the hire agreement allows use of the kitchen, any leftover food and drink must be taken away from the Academy premises at the end of the hire period. The kitchen must be left clean and fit for use by the Academy.

6. Intoxicating Liquor/Drugs

Alcohol is not allowed to be brought onto or consumed on the premises at any time without express approval from the Academy/Trust.

Illegal drugs are not to be brought onto or consumed in the premises.

Any person thought to be under the influence of alcohol or drugs will be refused admittance to the premises or asked to leave the premises if the intoxication occurs during the hire period.

7. Smoking

The whole of the Academy premises is a non-smoking area, and smoking is not permitted within school buildings or on school grounds at any time.

8. Flammable Items

No items of a flammable, dangerous or noxious character may be brought onto the premises, including fireworks, confetti or gas without the express approval from the Head of Enterprise.

9. Suitable footwear

Suitable footwear should be used. No stiletto or any type of thin heel is to be worn. If activities involve outdoor use, participants should ensure footwear is cleaned before re-entering the premises.

22. Copyright, Performing Rights or Alcohol Licences

There are a variety of licences that may be required for different types of events. The onus is on the Hirer to ensure which are deemed necessary and must produce documentary evidence before the letting takes place. The Hirer shall indemnify the Trust against any action brought about by failure of the Hirer to obtain the necessary licences. The following categories of letting may require a licence:

- a. Theatre licence
- b. Copyright/Royalty licence
- c. Cinematography licence
- d. Alcohol licence
- e. Music, Singing and Dancing (Performing Rights licence)

23. Sub-letting

The Hirer shall not sub-let the premises to another person.

24. Security

The Trust will pay for a person or persons to be responsible for the security of the premises before and after the hire, and for the cleaning of the premises after its use. This cost will be included in the charge for the letting. The Trust can arrange for a person to be responsible for the security of the premises during the hire, but this will incur an additional charge. Only named key holders may operate the security system. Keys must not be passed to any other person without direct permission of the Enterprise Team or Premises Team.

25. Right of Access

The Trust reserves the right of access to the premises during any letting. The Head of Enterprise, or delegated staff, may attend to monitor activities from time to time.

The Trust permits the Hirer to access and use the areas of the Academy as stated on the booking form.

The areas of the Academy used remains in the Trust's legal possession notwithstanding the hirer's occupation during the hire period and such occupation shall not be deemed to constitute or create any lease or tenancy.

26. Conclusion of the Letting

The hirer shall, at the end of the hire period, leave the accommodation in a reasonably tidy condition, all equipment being returned to the correct place of storage. If this condition is not adhered to, an additional charge may be made.

The Hirer shall ensure that the premises are vacated promptly at the end of the letting. The Hirer is responsible for supervising any children taking part in an activity until a responsible adult collects them.

27. Promotional Literature/Newsletters

A draft copy of any information proposed for distribution which contains any reference to the school must be sanctioned by the Head (or delegated officer) at least one week prior to proposed distribution by the hirer.

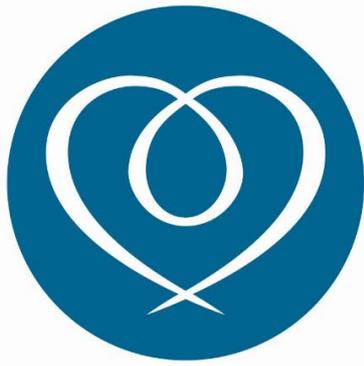

28. Chasing Debts

The Trust should follow a reasonable approach to seeking payment for debts. The default position should be for the Trust to invoice in advance of lettings, but on occasion, it may be more practical to invoice in arrears.

If payment terms (which should typically be 30 days) are exceeded with outstanding sums remaining unpaid, reminder notices should be issued, requesting payment within fourteen days.

If payment is still not made, a final reminder should be issued, requesting payment within seven days- and the consequence of non-payment could include immediate cancellation of future bookings and/or referring the debt to a debt collection agency if the monies owed exceed £500.

Before any debt is referred to a debt collection agency, permission from the Finance Committee (or Chair of the Finance Committee) as well as permission from the CEO and CFO should be sought.

[Principles applying to Venue Hire Throughout this Lettings Agreement](#)

1. The person signing this agreement must be over 18 years of age. If not, the signing agent must be authorised to contract on behalf of the Hirer to use the venue on the date and at the times specified above and in default of such authorisation shall be personally liable therefore.
2. These terms and conditions apply to all schools in Lionheart Educational Trust (“The Trust”). It is essential that all sections of the application form are completed and that these terms and conditions of hire and indemnity clauses read and signed.
3. The core work of any school is the teaching and learning of its pupils. Where there is a school event in the evenings, this will always be consulted on with the group leader prior to any long-term booking, as in all cases the school will take priority, but other

arrangements will be discussed to try to accommodate the booking during this period.

4. The school sites will be opened to allow for venue hire to take place where the inescapable charges have been allocated within the hire charge of the facilities. The pricing has been arranged so that they are fair, transparent, initially flexible and not least, sustainable. The inescapable running costs that comes with holding any such event and will be recovered in full hire charges are assessed on the information received when the booking is made. If any part of the premises is occupied in excess of the dispersal time, the charge for this excess time will be at the current rate of hire. The period of hire includes preparation and clearing up time. Should it be the case that the terms of the booking are altered, deductions will be made from the security deposit or a further invoice will be issued to the hirer/client/company.
5. The Trust has a responsibility to ensure statutory duties and best practice principles are applied to all activities taking place in its school venues, including all the grounds associate, all weather pitches and sports facilities. It is a condition of the venue hire that the Hirer's liabilities are covered by a special events insurance with the Trust's suggested insurance company or an equivalent insurance company. This should also include public liability insurance cover. This should provide as a minimum cover in respect of public liability (minimum of £5,000,000), loss or damage to equipment or premises by fire or explosion or caused through negligence of the hirer or persons attending the function for which the hiring is to take place. **Bookings for 18th/21st birthday, "Stag" or "Hen" parties are not accepted.**
6. The Hirer shall obtain and present a copy to a member of the school staff for inspection at the time of payment of the hire fee any license, insurance certificate, permit or permission required in respect of any activity, which the Hirer intends shall take place on the Premises during the period of the hire. The Hirer will then upload all necessary paperwork to their booking account within the booking platform of the Trust. The Hirer shall have any necessary license, permit or permission available for inspection on the premises by a member of school staff or any authorised person throughout the period of hire.
7. The is mindful of the reputational risks relating to any activity that takes place within its schools. The Trust reserve the right to cancel this Agreement for any of the following reasons associated to the hire of the facilities:
 - 7.1 If reasons beyond its control make the venue unavailable.
 - 7.2 If in its opinion the presence and the hire of the venue of the person(s) or organisation for whose purpose the facilities are hired might be the cause of disorder on or within the vicinity of the school/college.
 - 7.3 Might reasonably be held to be damaging to the reputation of the Lionheart Educational Trust school/College. Regardless of the stated reason for hiring

the facilities, the Trust may cancel any hiring if in their opinion the hiring organisation has racist intent or policies. In such event, The Trust has a statutory duty to ensure that equality principles and British Values underpin all activities taking place on its school facilities and will err on the side of caution if, for any reason, it feels that the activities of a Hirer or potential Hirer will undermine these values.

The Trust shall incur no liability to the Hirer whatsoever, other than the return of any fee or deposit paid by them in respect of such cancelled engagement subject to agreement clause 38-39 “Cancellations”.

8. 9. The Trust has a statutory responsibility to ensure that all under 18s and vulnerable adults are safeguarded through effective policies and practices, DBS checks, insurance etc. This is the responsibility of the hirer to ensure that all policies and procedures are taken very seriously and are in place throughout the term of any venue hire. - 11.2 Pay a security deposit against damages, cleaning costs and any other costs for which the hirer becomes liable under any clause of this agreement, such amounts not being limited to the amount of the security deposit. Such security deposit shall be calculated with regard to the number of people attending the function and the nature of the function subject to a minimum-security deposit of £500. A refundable security deposit is requested for all

- large events. This deposit acts as a security in the event of additional costs being incurred that were not previously accounted for in the original quote.
- 11.3** During the period of the hire, the Hirer shall be held responsible for all damages, losses, claims and costs arising out of the use of the Premises. The hirer shall indemnify the school for any claims arising from accidents, whether fatal or otherwise, to any employee or agent of the Trust. Also, to any member of the public or any third party caused as a result of the hiring, except where due to the negligence of the appropriate school within the Lionheart Educational Trust, its servants or agents. **The hirer will also produce a risk assessment for their hire/activity, that should be uploaded within the client area of the booking system, prior to any event taking place.**
- 11.4** The value of this security deposit is indicated on the attached Appendix D. The Trust shall refund the amount of the deposit to the Hirer, less any amount deducted under the provision of any clause in this agreement, within the one month of hire. Instances which may result in the loss of part or all of your security deposit, along with invoices being forwarded for any monies outstanding thereafter, are detailed below. This list is by no means exhaustive and remains at the discretion of the school and Trust:
- Excessive cleaning required, over and above that already charged, will be deducted from the deposit.
 - Extension to time of either side of the official booking - should it be the case that the hire of any facility exceeds the period noted on the Booking Confirmation, appendix C, the school reserves the right to levy the applicable hourly rate for each period of 30 minutes, or part thereof, after which the actual period of hire extends either side of the official booking times.
 - Any damage that is caused to the Premises or the equipment or facilities which arises from the hiring of the venues other than that arising from a negligent act or omission of the school, the Trust staff, servants or agents. All damage will be made good at the Hirer's sole expense and the Hirer shall be deemed to have undertaken to pay the cost of such reparation by signing this hire agreement and accepting within the booking system platform clients account. A discount will be applied for the whole seasons play/membership and training. Conditions for this partnership discount would be defined through being an affiliated FA Chartered Club or affiliated to the Tennis Association.
- 11.10 Unusual bookings** – if the booking is considered by the individual school to be unusual because, for instance, it will involve significant premises support, cover a period of significant hours/days or will have the potential to risk the reputation of the school, the request will be taken to the Head of Enterprise or Enterprise Team for a decision. It is the responsibility of the Hirer to factor in additional time for this, and it should be assumed that the booking is not going ahead until written confirmation has been received and the booking is confirmed through the booking system platform. A bespoke price would be decided by the Enterprise team if it was considered the hire could result in a substantial amount of set up etc.
- 11.11** The school reserve the right to take appropriate measures should the attendees at a private function exceed the maximum permitted number as specified in the Responsibilities of the Hirer section.
