RE: Relationship and Sex Education Policy Consultation (RSE)

Dear Parent/Carer

As a Trust we appreciate how important it is to prepare our young people to have appropriate and caring relationships as they develop into adulthood. To that end we have worked with the new government guidelines that come into place in February 2025 to enhance our RSE Education Policy.

This policy can be located on each school website for you to read, along with an appendix that outlines what elements of the curriculum will be delivered to which year groups over the course of the academic year.

A consultation period will now begin from 24th February 2025 until 3.00pm on 7th March 2025. Any feedback on the policy needs to be sent to RSEconsultation@lionhearttrust.org.uk. This will enable us to then launch a final policy the following week.

With thanks in anticipation of your support.
